BOARD OF DIRECTORS: Term from August 2012 to August 2014

Marlene Clark
Jim Mehle
Dave Poirier
Dick Sullivan

The 2012 annual meeting was held August 18 at the Lake Beauty Bible Camp hosted by Director Brian Alnes. Many items were presented and discussed. Here are the highlights of the meeting.

The old business was read and accepted into record. The checking balance is \$2098.53. The new business was headlined by DNR Area Fisheries Manager Eric Altena who provided a wonderful overhead presentation of our lake. The organization Minnesota Waters joined forces with Conservation Minnesota to provide a voice to protect the lakes, rivers and streams in Minnesota. Our lake association is doing an emergency contact list that will ONLY be used 1) to contact association members as well as non-members in the event of property damage, and 2) to provide a method for us to give you lake information electronically via email or website. This list was last updated in 2006. Finally, we want residents around our lake to join our association. Together, we can be stronger in our efforts to keep our lake beautiful for generations to come. The below member application can be removed and returned to the address listed. Members have special privileges to numerous to list here. Please consider joining our association. Thx... Rick Jones

Lake Beauty Association Member Application - \$20 annual member due

Name(s): _____

Summer Address _____

City _____ State: _____ Zip: _____
