

Lake Beauty Association Meeting minutes September 8, 2021

Members present: Kathy, Jim, Dianne, Mary Nancy via phone

Called to order: Kathy

Approval of past minutes: Mary Second Jim

Financial statement: Approved, Mary Second Jim

New Business:

Dianne will contact Leland regarding bill for the seasonal port-a-potty as well as for the one provided at the Lundquist's for the 30th anniversary celebration.

Kathy will work with Brian to get a tree taken down at the public access this winter.

Jim will generate a thank you letter to those who advertised with us this year also asking them to renew their ads for the coming year. The letter will also ask if they would like to provide a short statement as to their reasons for advertising with us and a short piece about their business. He will also send a thank you letter to people who donated prizes for the annual meeting.

The online store will be open from 9/15/21-10/17/21.

The Newsletter will be assembled by 010/1/21. Ideas for the newsletter were discussed and it was decided to start a section called "Cook's Corner". We will ask for recipes that follow the season. EX. Recipes for venison, hot dishes, soups, Thanksgiving and Christmas for the fall letter. Kathy is also going to add a puzzle section and will also ask people to submit a short joke. While discussing what to accomplish in 2021-2022 it was decided that creating a calendar again would be a great idea. Kathy will add this to the newsletter and ask people to start taking pictures so we can have a great variety for all seasons to choose from.

The Newsletter will be going out via email at this time as per vote at the annual meeting. There will be a reminder that the Newsletter will also be posted on our new website at www.lakebeauty.org.

Kathy asked that new bios by sent to her or Dianne by 9/17/21.

What do we want to accomplish in 2021-2022?

Create another Lake Beauty Calendar

Find ways to network with our neighbors; we will put this on our agenda and further discuss the idea at our spring meeting. One idea was to put together a round-up with pontoons anchoring together in the middle of the lake.

Our second quarterly meeting was set for December 6, 2021 @5:30 at either Kathy's or Mary's. This will be coordinated with our annual Christmas gathering of a pot luck with spouses invited.

Motion to adjourn: Mary Second Jim
