Motion to approve report by Eugene, second by Mark

The subject of the association paying for or sharing the cost of the port-a-potty at the public landing was brought to the table. We agree that have one at the landing is an environmentally friendly thing to do. Dianne will check with a couple of companies as to the cost and we will also check with the Bible Camp about cost sharing once a new director is in place.

Kathy will generate a membership letter with a deadline of October 2<sup>nd</sup>. She will request new labels from the county for a one-half mile radius around the lake. Previously we were sending letters to a one-mile radius. Membership letters are sent out to remind people to pay their yearly membership dues. Eugene suggested the idea of offering an alternative payment such as Venmo, Pay Pal or Cash App. He found that Venmo could not be set up for a non-profit organization. He will work on the Pay Pal and Cash App options and get that information to Kathy.

The online store will be set up to be open from October 1-October 31 so that people are able to purchase and receive items before Christmas. Kathy will send out an email to notify everyone of these dates.

A deadline of October 31 was set to update our website with fall and annual minutes, fall newsletter and board members bios and pictures. Kathy & Dianne will take care of these updates.

At this time there were no ideas of anything new that needed to be done by the association.

The next meeting and annual Christmas party will be at 6:00 pm, Friday, December 2<sup>nd</sup> at Kathy's house. This will be a potluck with spouses or significant others invited.

Motion to adjourn by Mary and second by Eugene
