

Lake Beauty Association Quarterly Meeting  
Friday, December 2, 2022 6:00 pm, Kathy's House

Members present: Kathy Boeckman, Dianne Krousey  
Mary Stocco and Nancy Schlee via phone

New Business:

Treasurers report was reviewed with a balance as of December 2 of \$4,689.93. Receipts came from membership dues and 4 sponsor fees. Motion to approve made by Nancy, second by Mary.

Mark has acquired three new sponsors for the coming year:

Twaradowski Excavating  
KLM Lawnservice  
Ed's Plumbing

One of the agenda items was what dates do we consider to be a year of membership for the business supporters. It was decided that it should be the same as the association. In the past a letter has been sent asking if they wish to renew for another year. Mark feels that a personal contact is a better approach. This is something that will need more discussion at the spring meeting. Nancy suggested that letters get sent to the businesses at the same time we send letters reminding members of upcoming dues. She also suggested that this letter could be sent out prior to the annual meeting in August. It was agreed that this was an excellent idea.

The option of creating some type of online payment system for people to pay their membership fees had been discussed at our last meeting. Some suggestions were Venmo, pay pal and cash app. Nancy is willing to look into some options and bring the information to the spring meeting.

We have two families that typically give an extra \$65.00 each year when paying their association dues. It was decided that Nancy would make up can koozies and send them to them with a note of appreciation. The families are the Barnett's and the Fink's

Our last agenda item was the port-a-potty for the public landing. Dianne had emailed the company Cans-R-Us and he quoted her \$110.00 per month. After a conversation with Marsha from the camp he has agreed to charge us the same fee he gives the camp which will be \$100.00. This item will be on the spring agenda as well as we will need to decide on the dates to have it in place.

Next meeting will be April 11, 2023 at Dianne's

Motion to adjourn by Nancy, second by Mary

Dianne Krousey, Secretary/Treasurer
